Benefits of joining our children's memberships

Our dental memberships encourage regular visits for your child to maintain healthy teeth and gums for life, identifying potential issues early to prevent costly treatments. By becoming a member, you can spread the cost of your child's routine care through affordable monthly Direct Debit payments. This is more cost-effective than pay-as-you-go appointments and secures your child's place at our practice. Your child is guaranteed:

Dental health examinations: Thorough assessments for optimal oral health, X-rays when necessary, and emergency treatment cover following accidental injury.

Hygiene appointments: Routine plaque removal, expert advice to children and parents to prevent decay and gum disease, fresher breath, and a brighter smile for improved self-esteem.

Global Dental A & E Scheme enrolment: This discretionary scheme provides patients with dental care or treatment assistance in the event of a dental accident or emergency.

Preferential fees & benefits: Get a discount on routine treatments, and your child can have longer appointments with the dentist and hygienist. For more benefits, ask the practice team for details.
